50	100	300	500
\$5.00	\$4.00	\$3.90	\$3.85
Code: 4 (P)			

- Norway Spruce Tree Seed • 100% Recycled Material
- Birth Announcements • Planting New Roots • Go Green
- Recycling • Fresh Air • Reforestation • Global Warming
- Soil Conservation • You Have The World In Your Hands!

## 7 Steps to Growing Your Spruce Tree

1. Unassemble Kit

2. Place Coconut Pellet In Coconut Husk Pot

3. Saturate Pellet And Wait For It To Expand

4. Sprinkle Seeds On Soil Surface

5. Gently Push Seeds Under Soil Surface. Keep Soil Moist. Place Near Window Or Provide Indirect Light.

6. In About 15 Days You Should See Seedlings Sprout!

7. When Seeds Are 3" Tall, Thin & Transplant
